Secondary School Experience

Cohort Focus

MANJUSRI
SECONDARY SCHOOL

文殊中學

Sec 1: We learn what it means to be a Manjusrian

Sec 2: We learn what is the best we can be

Sec 3: We learn to step up

Sec 4/5: We become the best version of ourselves

Co-curriculum and School Experiences

Besides the academic curriculum, MJR students are also participate actively in a co-curriculum and a myriad of school experiences. Examples include

- CCAs
- Learning Programmes (Applied Learning Programme, Learning for Life Programme)
- Discovery Week (Enrichment/ OBS/ Study Camp)

Changes to the Discipline Policy

- From 2023 onwards, we have tightened our discipline policy on the usage of handphones
 - Previously, students were allowed to use their handphones during recess in the canteen
 - However, starting from last year, we no longer allow students to use their handphones during school hours, and handphones are to be kept in their lockers at all times until the end of school
- Please feel free to approach Mr Jacky Tan (HOD/Student Management), if you have further questions regarding our discipline policy

Home-Based Learning (HBL)

- In line with the nation-wide National Digital Literacy Programme (NDLP), Blended Learning (BL) will be a key feature of the schooling experience for all students. Through HBL, the school aims to develop students' ability to be self-directed, passionate and life-long learners.
- To achieve this, regularly scheduled Home-Based Learning (HBL) days will be used to complement school-based teaching and learning.
- Students' learning during HBL Days will be supported by all secondary students owning a personal learning device (PLD).

Home-Based Learning (HBL) Days in Term 1

MANJUSRI
SECONDARY SCHOOL

文殊中學

- Home-Based Learning (HBL) days in Semester 1:

5 Feb, 20 Mar, 8 Apr and 16 May

- On HBL days, all students will participate in both online and offline learning from home and are not required to report to school. However, the school will be open to students who require additional support. The HBL timetable and instructions will be conveyed to students prior to HBL days.

Supporting Your Child during HBL

MANJUSRI
SECONDARY SCHOOL

文殊中學

- **Get Ready Together**

Tip #1: Set up an area conducive for learning

Tip #2: Ensure that your child has the necessary resources

(PLD, login credentials and learning materials)

- **Agree On A Structure Together**

Tip #3: Unlike in school, an adult may not always be present to supervise your child. It is important to work out a routine with them on Study, meal, rest and recreation timings.

- **Talk to Your Child About Their Experience**

Tip #4: At the end of the day, have a conversation with your child about their experience.

- **Set Guidelines for Positive Screen Time**

Tip #5: Discuss and set guidelines on the use of devices and follow through on the guidelines.
