School-Home Partnership

Having a close partnership with school will help you better understand your child's learning experience in school, so that you can provide him/her the necessary family care and support at home.

Roles of the PSG

Supportive Partner in Education

The PSG complements the school by aligning with the school's objectives, supporting and strengthening the school's programmes to improve the children's well-being and learning

Bridge between Parents and School

PSG is the bridge between parents and school and provides feedback to the school where necessary.

The PSG also facilitates the school's communication with parents.

Contributing to the school

Time

- Volunteer time to design and conduct the school's programme and events

Talent

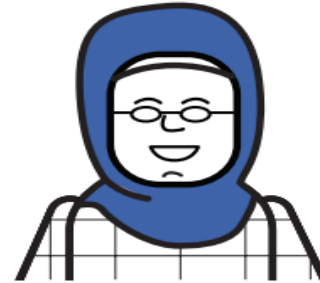

- Volunteer your expertise, talents, individual interests or personal networks

Thoughts

- Brainstorm and contribute constructive feedback and ideas to improve the school and PSG

Support your children Join PSG

“ Research has shown that children whose parents are involved in their educational journey have been found to have better self-esteem, are more self-disciplined, show positive attitudes, and exhibit higher aspirations and motivation towards school. ”
