Dear Parents / Guardians,

SCHOOL END-OF-YEAR EXAMINATIONS FOR SEC ONE STUDENTS

The School End-Of-Year Examinations for Secondary One students will take place from 3 Oct (Monday) to 12 Oct (Wednesday) 2022. Students need not report to school and will be having home-based learning (HBL) on 13 Oct 2022 (Thursday).

The examination timetable and the examination rules and regulations are attached for your reference. Students must attend the morning assembly in the parade square, if they have an examination paper starting before 0900 hrs. Students need not attend school on days for which they have no papers.

We would also like to draw your attention to the following:

Failure to Comply with Examination Rules and Regulations

Students who fail to comply with the examination rules and regulations in the Annex, will be subjected to disciplinary action (e.g. may be given a zero mark for the paper).

Absentees

Students who report after the end of the examination, will be marked as absent for the paper. Aligning to the national healthcare protocols, students who are tested positive for COVID-19 and absent from the examination would not be required to produce a medical certificate, doctor's letter or recovery memo to cover their absence. Absentees must submit the SMS from MOH or photo evidence of the Ag+ test result.

For other medical illnesses, absentees must submit original medical certificates from a medical practitioner who is registered under the Medical Registration Act on the Singapore Medical Council Website¹. Parents' letters will not be accepted. Absentees without valid reasons will be given a zero mark for the paper.

Checking of Scripts

Students will be checking their examination scripts in the week after their End-of-Year Examinations. It is essential that your child/ward is present during this post-examination period as teachers will be going through the answers for the respective papers.

The school seeks your support in supervising your child/ward closely during this examination period and to ensure that he/she reports punctually for each paper. The End-of-Year Examinations will have an impact on your child's/ward's overall marks for the year. Do encourage your child/ward to prepare him/herself in good time so that his/her performance will be an accurate measure of his/her learning.

Yours sincerely,

Mr Sim Chong Boon
Principal
